PROPOSITION 218 NOTICE AMENDMENT

This amendment clarifies the Bi-Monthly Potable Water Rates for Residential Tiered Rates in the original Proposition 218 notice. All other rate information remains the same. If you have not received the original notice, please contact the Scotts Valley Water District.

The Scotts Valley Water District is proposing a rate increase and changes to rate structures.

The Scotts Valley Water District Board of Directors will hold a Public Hearing at 6:00 pm on Monday, December 12, 2016.

The Board of Directors will consider adoption of the proposed water rates, fees and charges, and changes to the water rate structure affecting all water customers. Interested persons are encouraged to attend and comment on the issues being discussed. The meeting will be held in the Santa Margarita Community Room located downstairs at 2 Civic Center Drive, Scotts Valley, California.

The rates, if adopted, would go into effect on 12/13/16 instead of 12/9/16 as stated in the original Prop 218 notice.
